

SEPT 13th ODIN S RELEASE THE NEW SINGLE 'DIONA'S HELP' PRODUCED BY FABRIZIO 'FAB' GROSSI AND MATT PASCALE

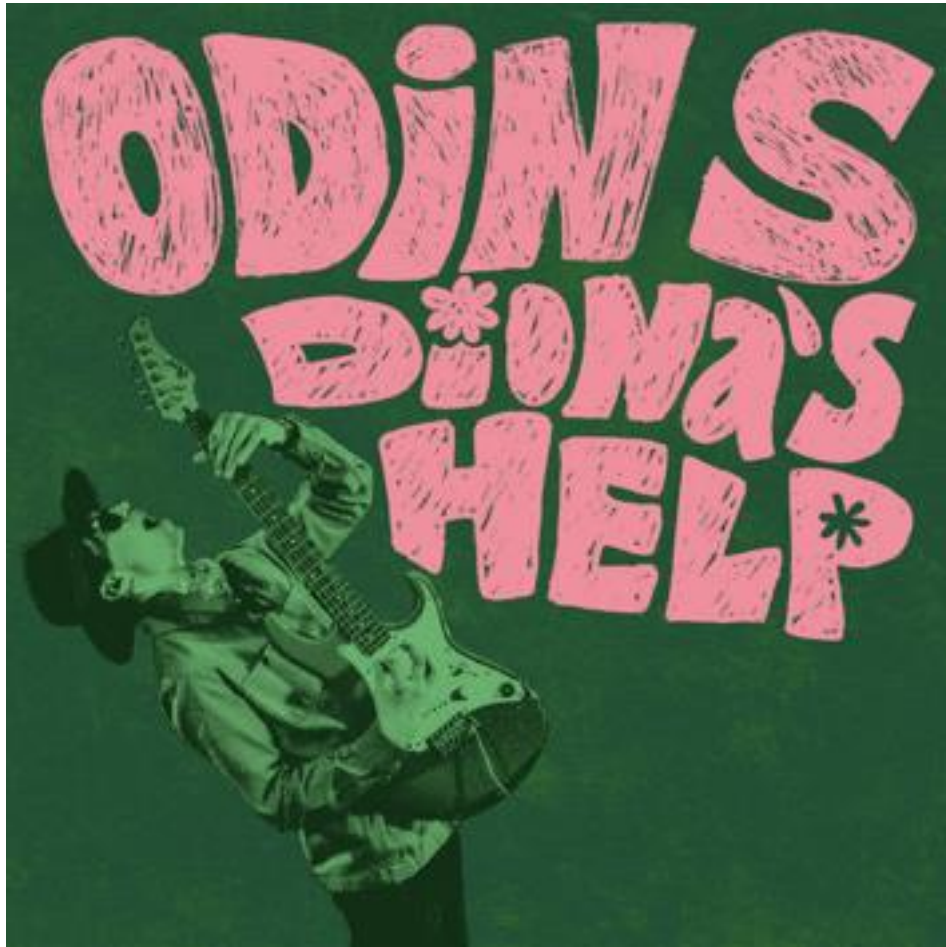

Odin Sokac, aka Odin S, 16 years old singer/guitarist, has a new single, '**Diona's Help**', due out on **Sept 13th 2024**. With this song he confirms his love for the blues, a music full of emotion and feelings, that can reach everyone's soul, no matter the age. In spite of his really young age, his original attitude and prolific songwriting skills brought him already all around Europe and the US to play & sing the Blues.

THE NEW SINGLE 'DIONA'S HELP'

The song was inspired by the Greek goddess of rain, Diona. The song carries a positive allegorical message: people need to be optimistic and view rain as a positive thing, because is Diona's help "washing away the dirty things and feeding the soil for the grass, trees and flowers". Every moment and fact of our life always carries two sides, but through his music **Odin S** is suggesting to be optimistic and focused the future.

WHO IS ODIN S?

Odin was born in 2008 in Zagreb, Croatia. He started playing guitar at eleven, and within' two years he had already written 26 songs. He has traveled & played all over Europe and the USA. Significant was his participation to the **Little Steven's Blues Camp** in Notodden, Norway in 2023, thanks to a scholarship by the [European Blues Union](#), and to the **International Blues Challenge** in Memphis in 2024. In June 2024, thanks to another **EBU** scholarship, he joined other young musicians at the **Pinetop Perkins Foundation Workshop** in Clarksdale, Mississippi, the place where, according to the legend, the Blues was born! His new single 'Diona's Help' release, comes after few months from the acclaimed '**Mannerist Blues**'. For the release of his upcoming new album, "**The Bluesboy**", Odin has been collaborating with producer **Fabrizio "Fab" Grossi** and singer/guitar wiz **Matt Pascale**.
